LF Foot Lateral

This is a lateral radiograph of the left foot of a dog named Jethro. The image shows the skeletal structure of the foot, including the metatarsals and phalanges. The bones are well-defined against a dark background. The text in the top right corner provides the owner's name (FORTINO), the animal's name (JETHRO), the date and time of the scan (27-May-2026 12:13:22), and the view (LF Foot Lateral).
